DARE 2 SHARE LIVE FAQs

ABOUT THE EVENT

This one-day outreach event is an incredible way for youth leaders and students to reach people in their communities and schools by praying, serving, and sharing the gospel of Jesus Christ. Simulcast live from Denver, CO to locations across the United States, this event is your chance to make a difference and share the love of Jesus with people right in your community!

THE DAY OF THE EVENT

Attendees at each satellite site will experience portions of live worship and a live emcee, but also be witness to a cutting edge broadcast of challenging teaching and training as well as skits and performances from the broadcast site. All participants will interact with the event and each other through the Dare 2 Share LIVE mobile app. And part of the day will involve every student launching out into the local community around their live event. They will come alongside one another to serve the community and share the Gospel of Jesus.
