

THE 16TH ANNUAL

# Coe College

## PLAYGROUND OF SCIENCE

**Thursday, October 25, 2018 from 6:00 – 9:00 PM**  
**Peterson Hall on the Coe College campus**

Come have fun and learn about our natural world.  
All ages are welcome — **and it's FREE!**

**There will be interactive demos where we will:**

- Levitate objects
- Make snow
- See models of hearts and eyes
- Do the 'Mentos in Diet Pepsi' demo
- Make ice cream with liquid air
- See molten glass poured at almost 2000° F
- And much more...

**PLEASE RSVP:**

**Professor Steve Feller**, Physics Department, [sfeller@coe.edu](mailto:sfeller@coe.edu), 319.399.8633  
Peterson Hall, Coe College, 1220 First Ave. NE, Cedar Rapids, IA 52402
